

Wakefield Passers Rack Up 2nd Straight

By WARREN MILLER

The Wakefield Warriors defeated Richard Montgomery of Maryland, to make it two straight for the South Side cagers yesterday afternoon on their home court.

Under the coaching of Robbie Robinson, the Warriors took the game easily despite the loss of lanky Al Lederle who sank a total of 18 points in Friday's opener against George Washington JV.

During the first few minutes of the clash, it looked like a walk away for the South Side squad as they racked up 10 straight points. It took only a foul shot by the Montgomery five, however, to start the Marylanders on the offensive. After coming back with nine more points, the first period closed with the Wakefield cagers leading by a 16-10 margin.

The second period saw more floor work by the Warriors, but not enough to hold Montgomery in the background.

Leading by a mere one point, the Wakefield quint dropped another five points by the end of the half to bring the tally to 23-18.

Wakefield's form took on a new light during the second half, with fine passing, quick ball shuffling, and clean long shots. By the end of the third quarter of play, they had widened the margin by a 39-26 count on the score board.

Sending in a number of replacements toward the last minutes of play, the Montgomery quint couldn't seem to find the hoop in time to prevent the final score of 48 to 32.

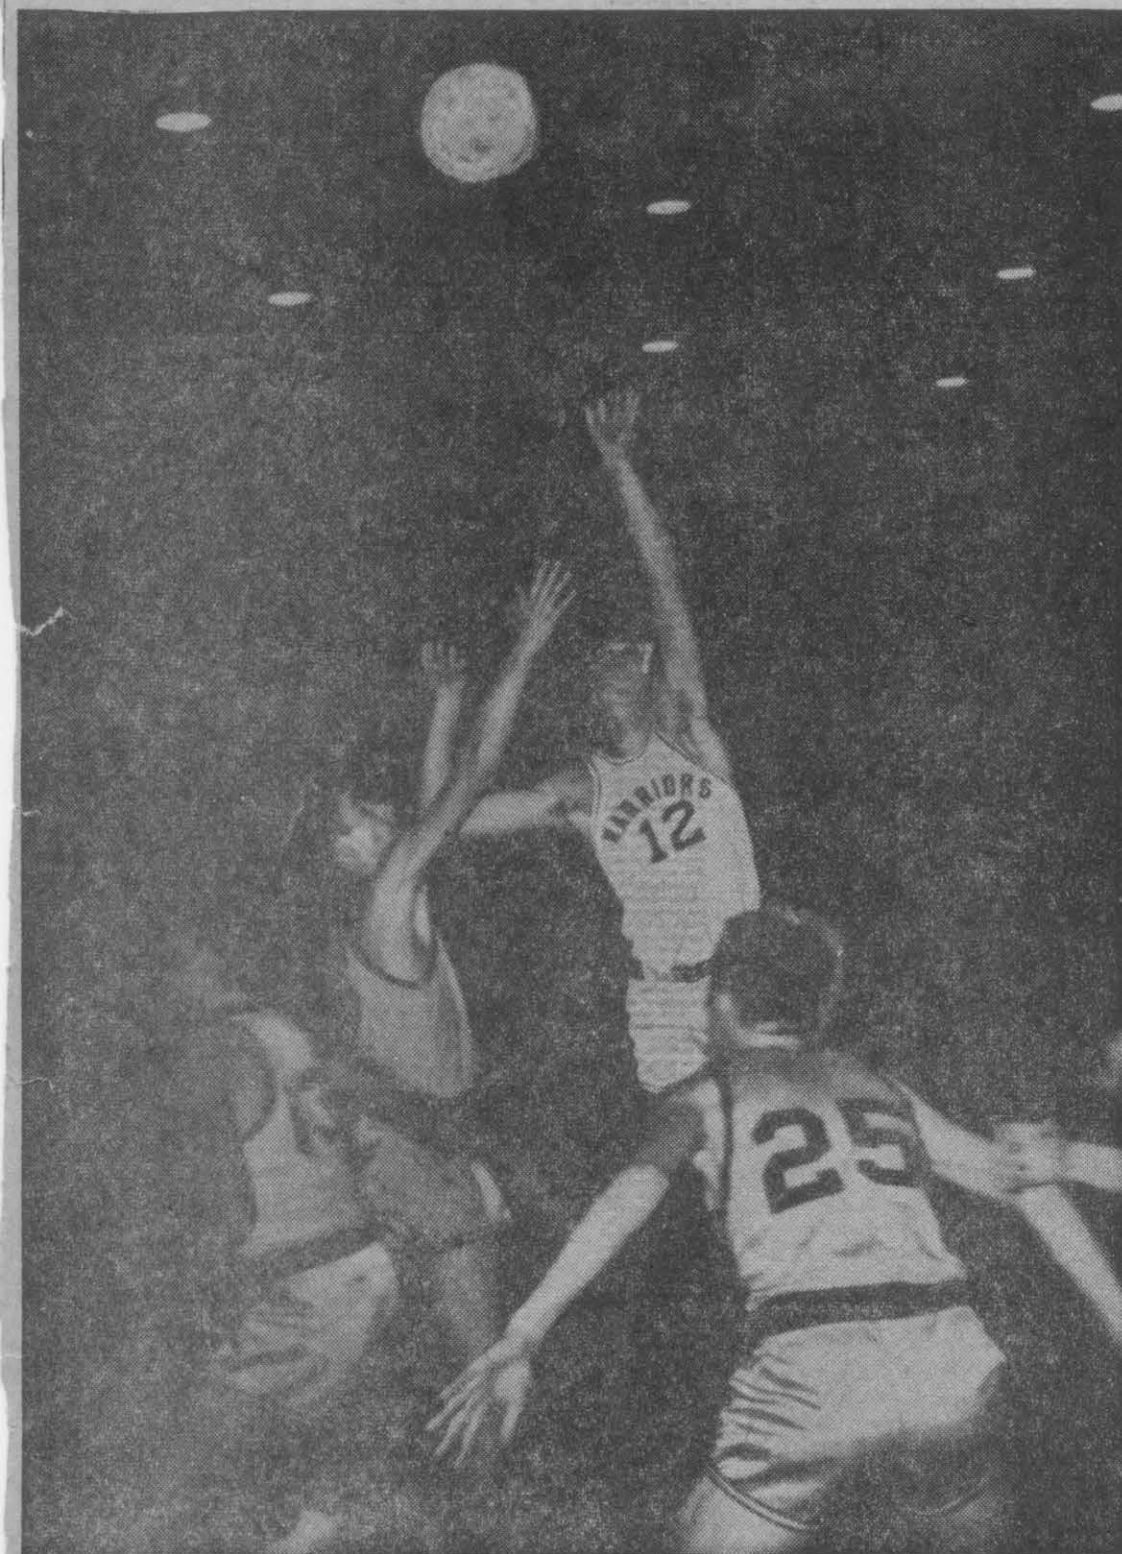

High scorer for the game was Henry Mayo who contributed a total of 16 points to Wakefield's victory, including six goals and four free throws. Following in the scoring parade were John Gibson and Butch Varden who both scored seven points.

During the first minutes of play Don Richards dropped in six points to give the Warriors their early lead.

Top scorers for Richard Montgomery were Steve Bernard with seven points, as well as Lynn Zuck and Al Richardson with six points respectively.

The Warriors play their next game at Annandale this Friday evening at 8:30. That game will be preceded by a junior varsity tilt between the two schools slated to begin at 7 p.m.
